7th Telangana State Level Drawing Competition – 2026
State Level Winners Announcement

From a small idea 8 years ago, to seeing 34,000 young artists from across Telangana, this journey has been truly humbling and unimaginable. We did not just witness competitions, we witnessed dreams taking shape, imaginations breathing, stories being told without a single word, and whole family coming together to support such a young kids at the state level. Every child who participated had the courage to bring their inner world out on a white sheet. That is true art.

Thank you – every parent, teacher, principal, school management, and all who supported this noble cause. It is becoming a huge challenge for us to maintain the quality as raising costs every year in all the aspects and continuing at the same fee since 2018. It is your enthusiasm that is motivating us in continuing this event by contributing our share from all our promoters.

We are indebted to Epistemo Vikas Leadership School for hosting prize distribution ceremony since half a decade, Pallavi International School, Gandipet & Vista International School, Gachibowli for hosting district level competitions for half a decade, St. Arnold's High School, RC Puram for hosting district level competition for 3 years, Akshara Vaagdevi International School, ARCA Global International School, MESCO Grades High School, Suchitra Academy International School for hosting district level competition and Edify World School, Attapur for hosting State Level Competition for couple of years now. Their unconditional support helping us to increase number of state level winners by keeping the costs at bay.

We are also very grateful to Johnson Grammar School – LB Nagar having 1500+ participants this year and being Best School – Cultivating Art Awardee every year since 2018, Pallavi Model School – Boduppal having 1100+ participants, and Sadhana Inifinity International School having 900+ participants this year. Without your presence it would not have been the same. Your presence flourished more colors to the event.

We are honored to award around 50% of participants (promised only 12%) at State Level this year. Judgment process is very transparent, unbiased, strictly following criteria, and encouraging every participant & school.

All these state level winners will be felicitated with a Memento, Certificate of Excellence, and a Cash Prize.

School Awards – it is truly our honor to announce top 3 - **"Best School - Cultivating Art"** awards and 80+ **"Best Participant School"** awards with more than 200+ participants from a school.

Instructions to Parents for the Grand Prize Distribution Ceremony:

1. **All the winners must come in school dress with school id-card to accept the award.**
2. Cultivating Art do not make any money out of this event, rather its founders spend Rs. 1 per participant from their own pockets to make it such a success. This event is running purely on their promise and passion. As you have seen the whole event, a simple math can justify this.
3. Please note that since its inception in 2018, the fee is only Rs. 100, though every cost has been increased by 3-4 times. Even after that we have increased quality in every aspect by 10-15 times.
4. Please note that this is a pure charity based NGO event and not a commercial event, so do not expect any commercial aspects or facilities etc. strictly adhere all instructions given on a time-to-basis during the ceremony
5. Please come as per your child category time and NOT earlier than that. If possible one parent for one winner as to reduce too much of crowd and to run the event smoothly.
6. Please seat only in the area where your child category is mentioned. Never stand during the ceremony. Do not flock onto the dais. Do not block the way at any cost.
7. Professional Photographer has been appointed to capture beautiful moments of every individual child and group photos, which will be uploaded on our website by end of the day.
8. Please be polite with the volunteers, and do not get rude with them as they are supporting us for no monetary benefits. No question – answers sessions. We are keeping every information on the website very clearly, so please read them, if you don't get any answer, then email us.
9. State level winners will get the highest award - State Level Memento only and **NOT** the district level memento.
10. Rest of the District Level Winners, who could not win at state level, will get a Memento, and Certificate of Appreciation will be ***delivered at respective school*** or handed over to school representative on the grand prize distribution ceremony day.
