**Cultivating Art** conducting **Telangana State Level Drawing Competition** in association with **Government of India, Ministry of Information Technology**, as part of "**Swachh Bharat Abhiyan**" to nurture, encourage children of all ages capabilities to engage them in the arts.

Children are a hugely important part of **Cultivating Art** and we're passionate about celebrating their talent, creativity enthusiasm, and potential.

We care about the benefits creativity can have for children's development, well-being and, ultimately, we want to help inspire the next generation of artists and creatives.

We actively engage hundreds of schools around the state and welcome all children and young people from **3-16 years** old to **engage, look, learn, draw, paint, create, make, and share** their creations with us.
