

Thank you for your school's participation in "2nd Telangana State Level Drawing Competition - 2019" and encouraging children to indulge into arts, spending time with colors, family, art teachers, thinking more about new ideas at each level of competition thus moving away from addictive smart phone gaming technologies and hazardous radiation. We congratulate every participant, their parents, teachers, school's management, and everyone who supported us in winning this noble cause.

We are pleased to announce District Level Winners. All these winners are qualified to participate in State Level Competition and will be awarded with a Memento and Appreciation Certificate. Off these district level winners, 78 talented children will be selected as State Level Winners who will be felicitated with Cash Prize, a Memento and Certificate of Excellence.

Due to overwhelming response we got across the state we have got thousands of participants in each category, and one thousand medallions across the state. Every category has got immense talent with highly creative brains. Selecting just based on the district or fixed number of winners for each category has become very difficult for us. Hence we have approached the same criteria as in school level awards - giving importance to the talent and **NOT** the numbers; hence selected top 162 participants based on their improvement from school level, coming up with new creative drawing, and all other technical criteria as mentioned in the brochure.

State Level Competition date and venue will be announced very soon.

Category 1 - Pre School - District Level Winners	
T. Aaryan Sai Vignesh	Academic Heights Public School, Kukatpally
K. Anika Reddy	Delhi Public School, Mahendra Hills
Prashamsa Sreeramoju	Johnson Grammar School, L.B. Nagar
